INTERMEDIATE SOCIAL STUDIES

Dear Parents,

I am looking forward to this new school year. I appreciate the opportunity you are giving me to work with your child. We will be covering a lot of material in a short amount of time. We will be studying *The Story of the World Volume 1: Ancient Times* by Susan Wise Baur. The material covers information from the earliest nomads to the last Roman emperor. Some of the highlights in our studies will include a study of ancient writings, Egyptian pyramids, mummies, the discovery of the silk worm, King Tut, the hanging gardens of Babylon, Alexander the Great, the Roman Empire, and Attila the Hun. This text provides the student with a chronological overview of the progression of history. The goal is to give your child an enthusiasm for history, a basic understanding of major cultures, and an idea of the chronological order of historical events.

Here are some ways that you may help make this a successful school year:

- Encourage your child
- Be positive
- See that their homework assignments are completed
- Let them teach you something about history
- Check emails, communication is everything

I look forward to teaching your child, and I hope this year will be fun, yet challenging.

Sincerely,

Miss Connie
