

## Welcome to

Welcome to the fun of learning a new language...American Sign Language. This is an exciting language that may prove useful to you as a family (I hope you will learn alongside your child) as well as enable you to connect with people who live in a world of silence.

During the semester we will learn the manual alphabet, numbers, a variety of signs and every day phrases. The material fee covers the costs of the materials we will use in class and homework assignments. There will not be any additional materials to buy.

Grading will be based on the following

In class participation	35%
Homework	15%
Tests	50%

Since this is an enrichment class your student will receive an E (excellent), S (satisfactory), or N (needs improvement)

Each month I will send home an outline of what we are learning and each week I will post on the CCA website what homework needs to be completed before the next class.

If you ever have questions concerning what we are doing, please contact me via e-mail at [lstayer@touchandchange.com](mailto:lstayer@touchandchange.com) or phone 407-324-0203 ext. 100.

Thank you for the opportunity to work with your children,

Miss

LeeAnn

Stayer
